Sale Catalogued and Conducted by

**A. KOSOFF**

## CONDITIONS OF SALE

1. All bids to be per PIECE as numbered in the catalog unless otherwise designated. The highest bidder to be the buyer. In all cases of disputed bids the decision of the Auctioneer shall be final.
2. Conditions beyond our control make it necessary for us to change our policy in regard to executing bids. A charge of 5% will make for executing your mail bids; no charge except for lots actually purchased. In no case will there be a charge exceeding \$5.00. Thus if purchases exceed \$100.00, the commission will be only \$5.00.  
Previous bidders will recognize that the service we give is worth this small charge and that our policy of buying the lots for you as low as possible should still result in a savings.
3. The Lots will be on exhibition at the Numismatic Gallery, 42 East 50th Street from March 21st to 27th from 10 A. M. until 5 P. M. and on the day of the sale until noon.
4. Buyer's to give their name and address and to make such cash payments on account as may be required, in a default of which the lots purchased will be resold immediately. Mail bidders must have an established credit with the auctioneers or cataloguers or send a deposit equal to 25% of their bids.
5. Accounts must be paid, and purchases removed, within 24 hours after the sale; or in case of mail bidders, when bills are rendered. No claims will be allowed unless presented within TEN days after sale. Our pledge to consignors to make complete settlement within 30 days of the date of the sale requires that buyers co-operate by making prompt payments.
6. The authenticity of the coins is guaranteed by the cataloguers. The condition is carefully stated and NO lots are returnable except by agreement of the cataloguers.

## SPECIAL NOTICES

- a. Estimates will gladly be furnished by the cataloguers. Write the lot numbers on a sheet of paper, leaving space for the estimate opposite each number, put your name and address on the sheet and mark, "Request for estimates."
- b. An official price list of the prices realized will be published 2 weeks after the sale. Priced at 50 cents, it may be ordered by checking your bid sheet in the square provided for that purpose. A Purchaser whose bill exceeds \$25.00 will receive a price list free of charge.
- c. Sale starts promptly at 1:30 P. M. This is a **Public Auction Sale**, and all are invited to attend.

## U. S. PATTERNS

### FROM A FAMOUS MID-WESTERN COLLECTION

In our last sale we offered 70 pattern dollars, 49 half-dollars and 54 quarters. The response was record-breaking, both in interest and in prices realized. Now we proudly present the balance of the collection consisting mainly of the minor coins.

The reference (A. W. numbers are, naturally, to the work by Edgar H. Adams and William H. Woodin entitled "United States Pattern, Trial and Experimental Pieces." This book, originally published by the American Numismatic Society, has become quite rare. Recently, however, a reprint was made to sell at \$3.00. In order to permit the collector to more intelligently study this offering, we have made available a limited supply of these at the NUMISMATIC GALLERY. They

may be examined free of charge, at the Gallery, or purchased at the regular price of \$3.00, postpaid. The rarity of each pattern has also been classified according to the Standard Adams-Woodin scale - as follows:
